

Calculate addition

Fill in the blank box and correct the additional answer (1 to 20)

$3 + \square = 5$

$6 + \square = 13$

$6 + \square = 8$

$10 + \square = 15$

$5 + \square = 10$

$11 + \square = 18$

$7 + \square = 12$

$12 + \square = 20$

$4 + \square = 8$

$10 + \square = 12$

$5 + \square = 9$

$9 + \square = 19$

$7 + \square = 10$

$8 + \square = 17$

$6 + \square = 14$

$7 + \square = 13$

$8 + \square = 11$

$4 + \square = 15$
